🏛️ GUJARAT YUVA REGISTRATION SYSTEM | OJAS INTEGRATED

UI/UX Architecture & Wireframe Skeleton Catalog

High-definition visual design specification, responsive screen captures, and layout blueprints for the modern Gujarat Government recruitment discovery portal.

PROJECT CODE / NAME
GYRS — Gujarat Yuva Registration System

CLIENT AUTHORITY
Executive Client Review Deliverable

TECHNOLOGY FOUNDATION
Laravel 11 + Livewire 3 + Supabase Cloud DB + Tailwind

ENGINEERING LEAD / DATE
Deepak Bagada | 13 October 2026

Design System, Color Scheme & Layout Skeleton

Conforms to the Frontend UI skill guidelines: strict light theme, 8pt responsive spatial grid, accessible color contrast (WCAG 2.1 AA), bilingual Gujarati/English typography, and 44px minimum touch targets.

Primary Semantic Color Palette

Civic Navy	Brand Blue	Action Orange	Success Green	Urgent Red
#00288E	#1565C0	#FD761A	#16A34A	#DC2626

Bilingual Typography & Spatial Rules

Plus Jakarta Sans & Inter
Clean, institutional sans-serif font pairing ensuring high legibility from 11px metadata to 36px hero display titles.

Noto Sans Gujarati
Curated regional unicode glyphs for native Gujarati job descriptions, qualification criteria, and instructions.

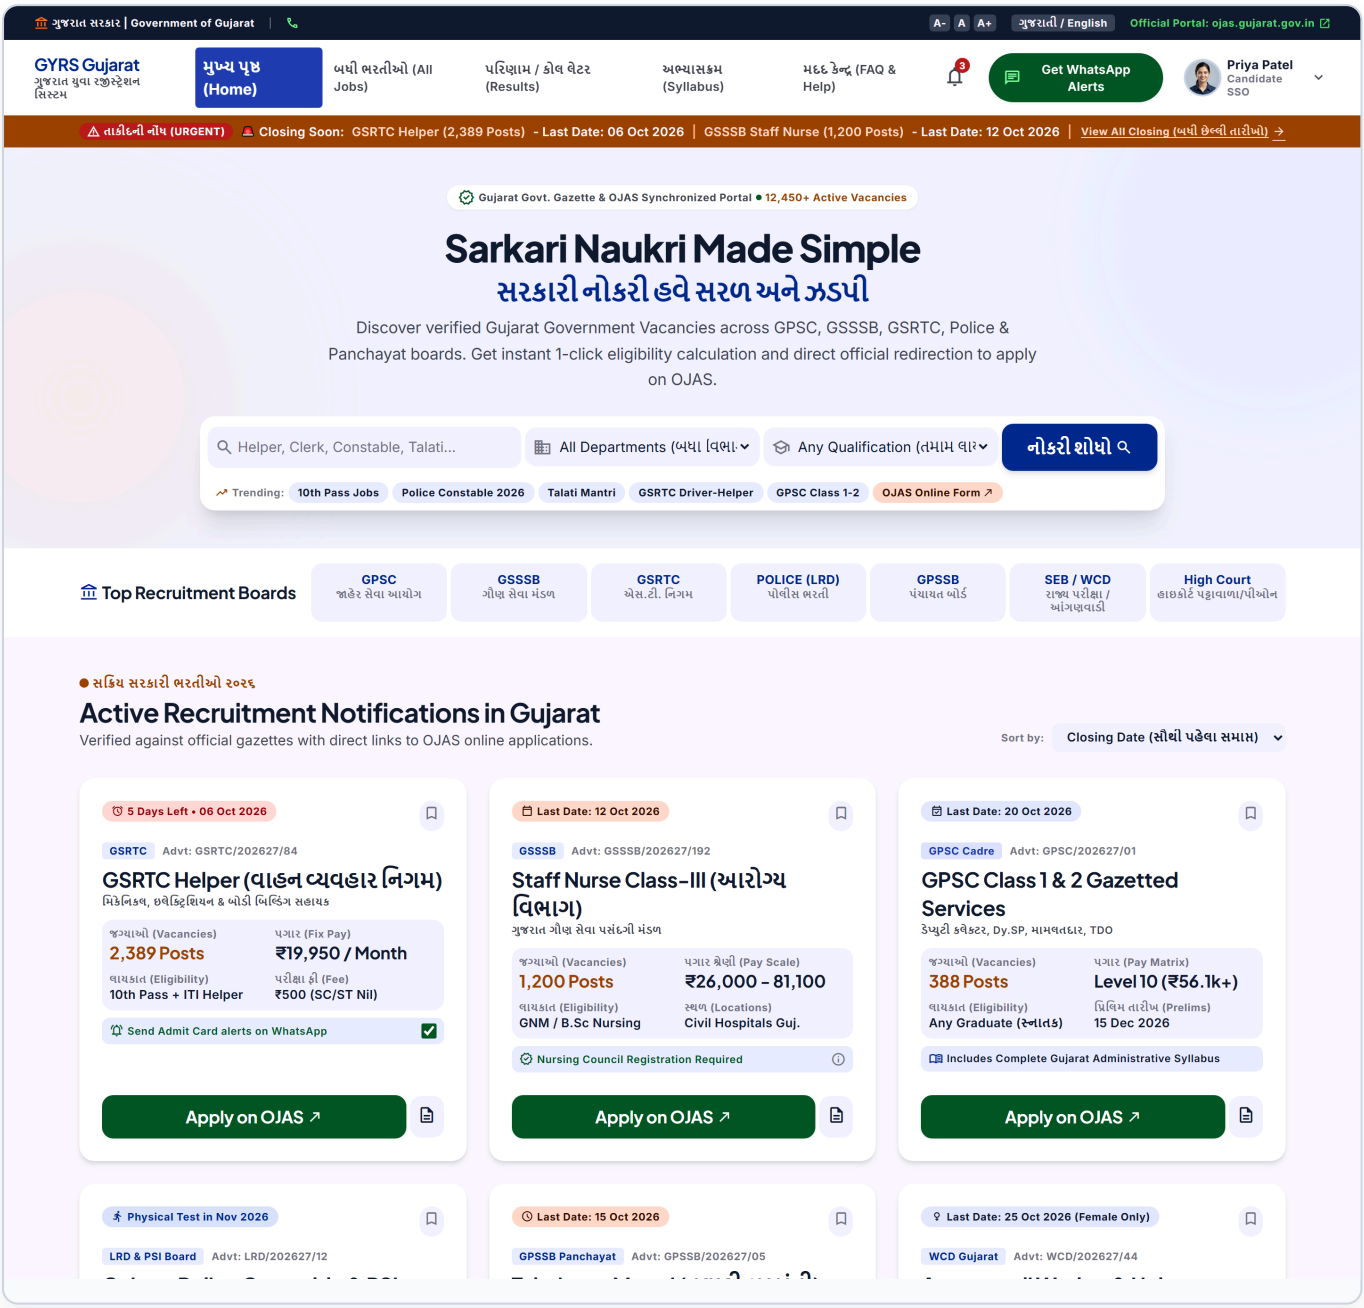

8-Point Grid & 44px Touch
Standardized padding (space-xs: 4px to space-xl: 40px) with minimum 44px tap targets for error-free mobile navigation.

Core Website Layout Skeleton Structure

Home Portal & Unified Floating Search Matrix

Primary candidate onboarding gateway. Combines institutional trust signals with a Naukri-style 3-part floating search engine and closing-soon recruitment cards.

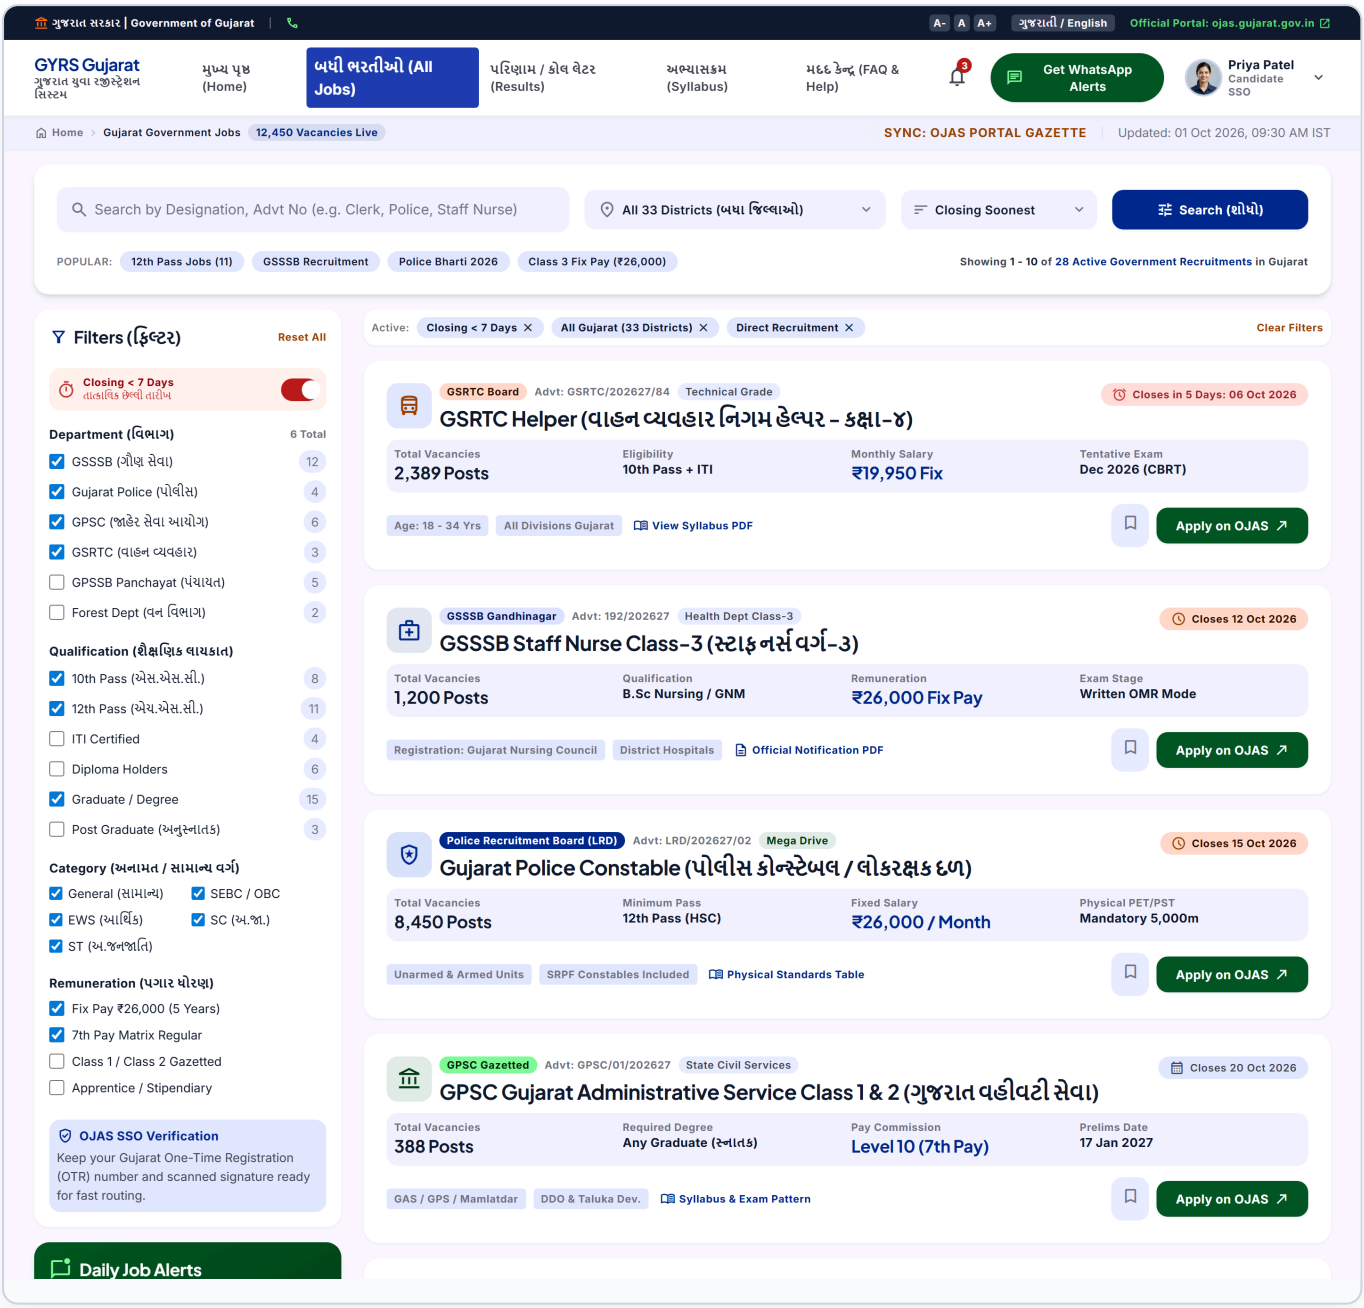

1. Govt Helpline & OJAS Link
Official 1800 233 5500 support number, font resizer (A- A A+), and direct verification link to ojas.gujarat.gov.in.

2. 3-Part Unified Search Matrix
Simultaneous filtering by Keyword, Department (GSRTC, GPSC, GSSSB), and Qualification (10th, 12th, ITI, Graduate).

3. Live Bharti Cards & Urgent Strip
Real-time closing date countdowns, vacancy metrics, and instant 1-click eligibility check modals.

Jobs Listing & Multi-Facet Livewire Filter Matrix

Comprehensive examination directory with instant multi-facet filtering. Updates asynchronously without full page reload, powered by Livewire 3.

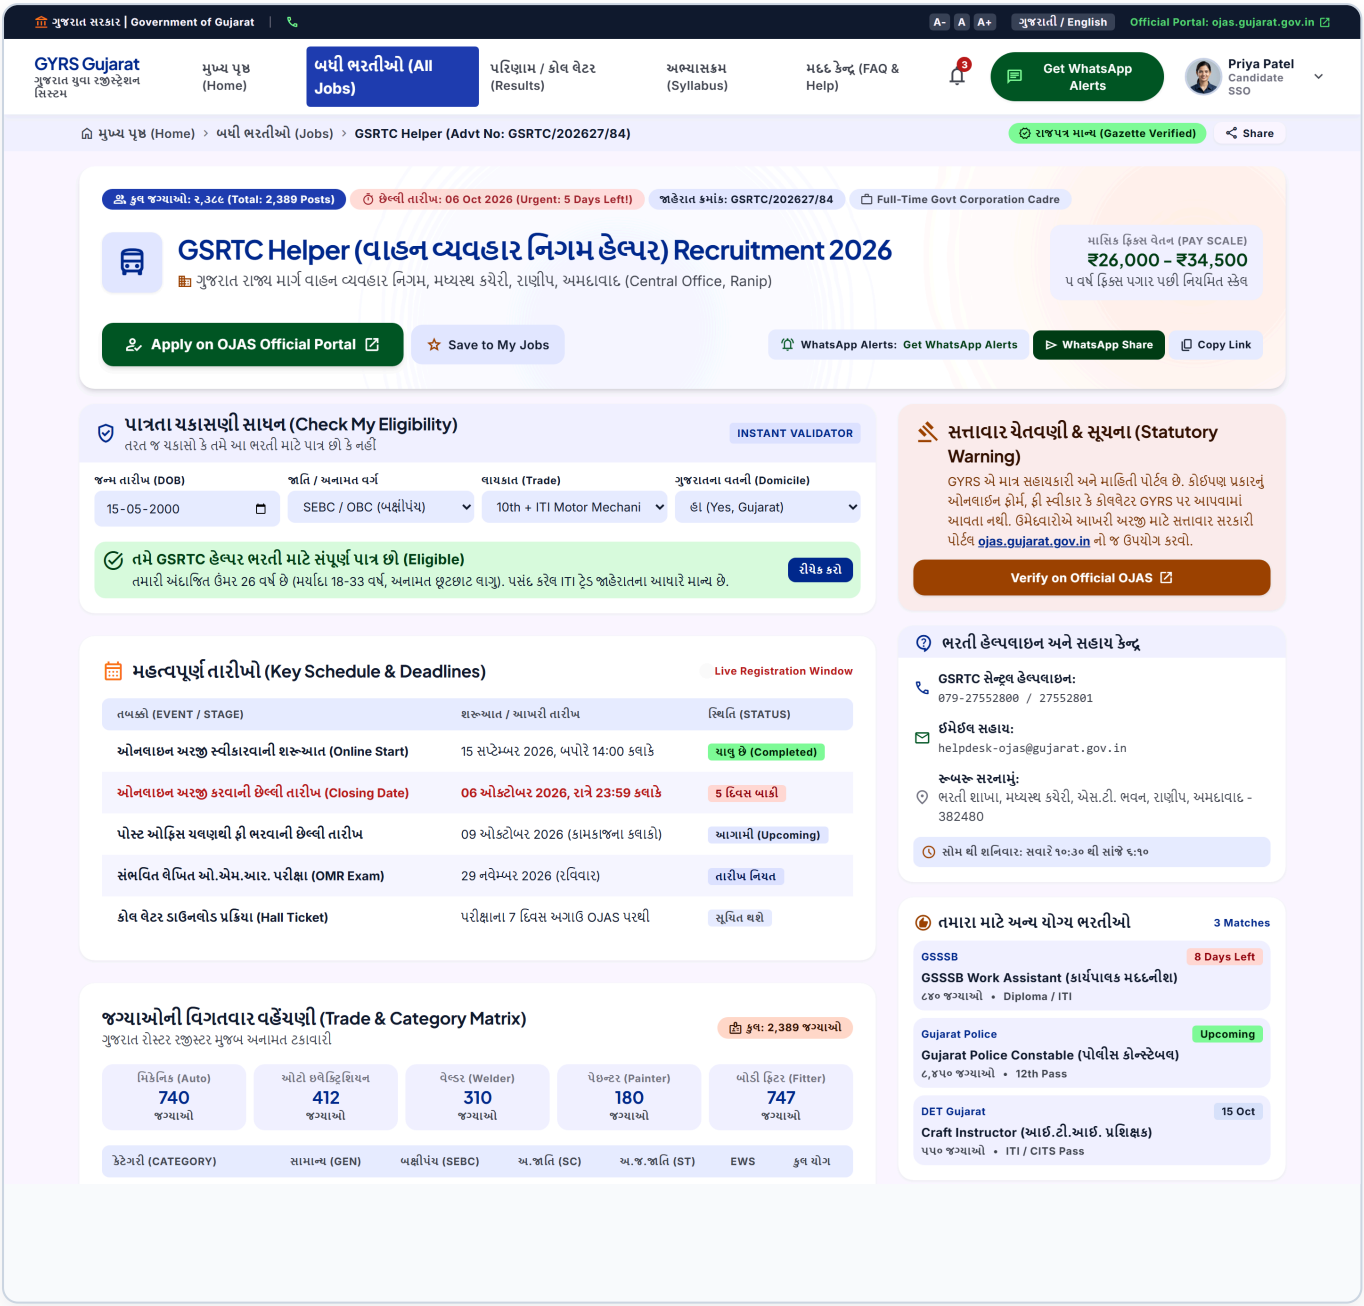

1. Multi-Facet Filter Sidebar
Live checkboxes for Department, Qualification, Social Category, and Closing Window with immediate card updates.

2. Rich Bilingual Job Cards
Displays advertisement number, salary grade (₹19,950), age criteria (18-33 Yrs), and official application fee breakdown.

3. OJAS Official Redirect Tag
Explicit "Apply on OJAS (Official)" CTA button that tracks clicks and redirects safely to the official government form.

Job Detail — Overview, Schedule & Vacancy Matrix

High-impact advertisement dossier presenting critical deadlines, trade distributions, and official gazette notification documents.

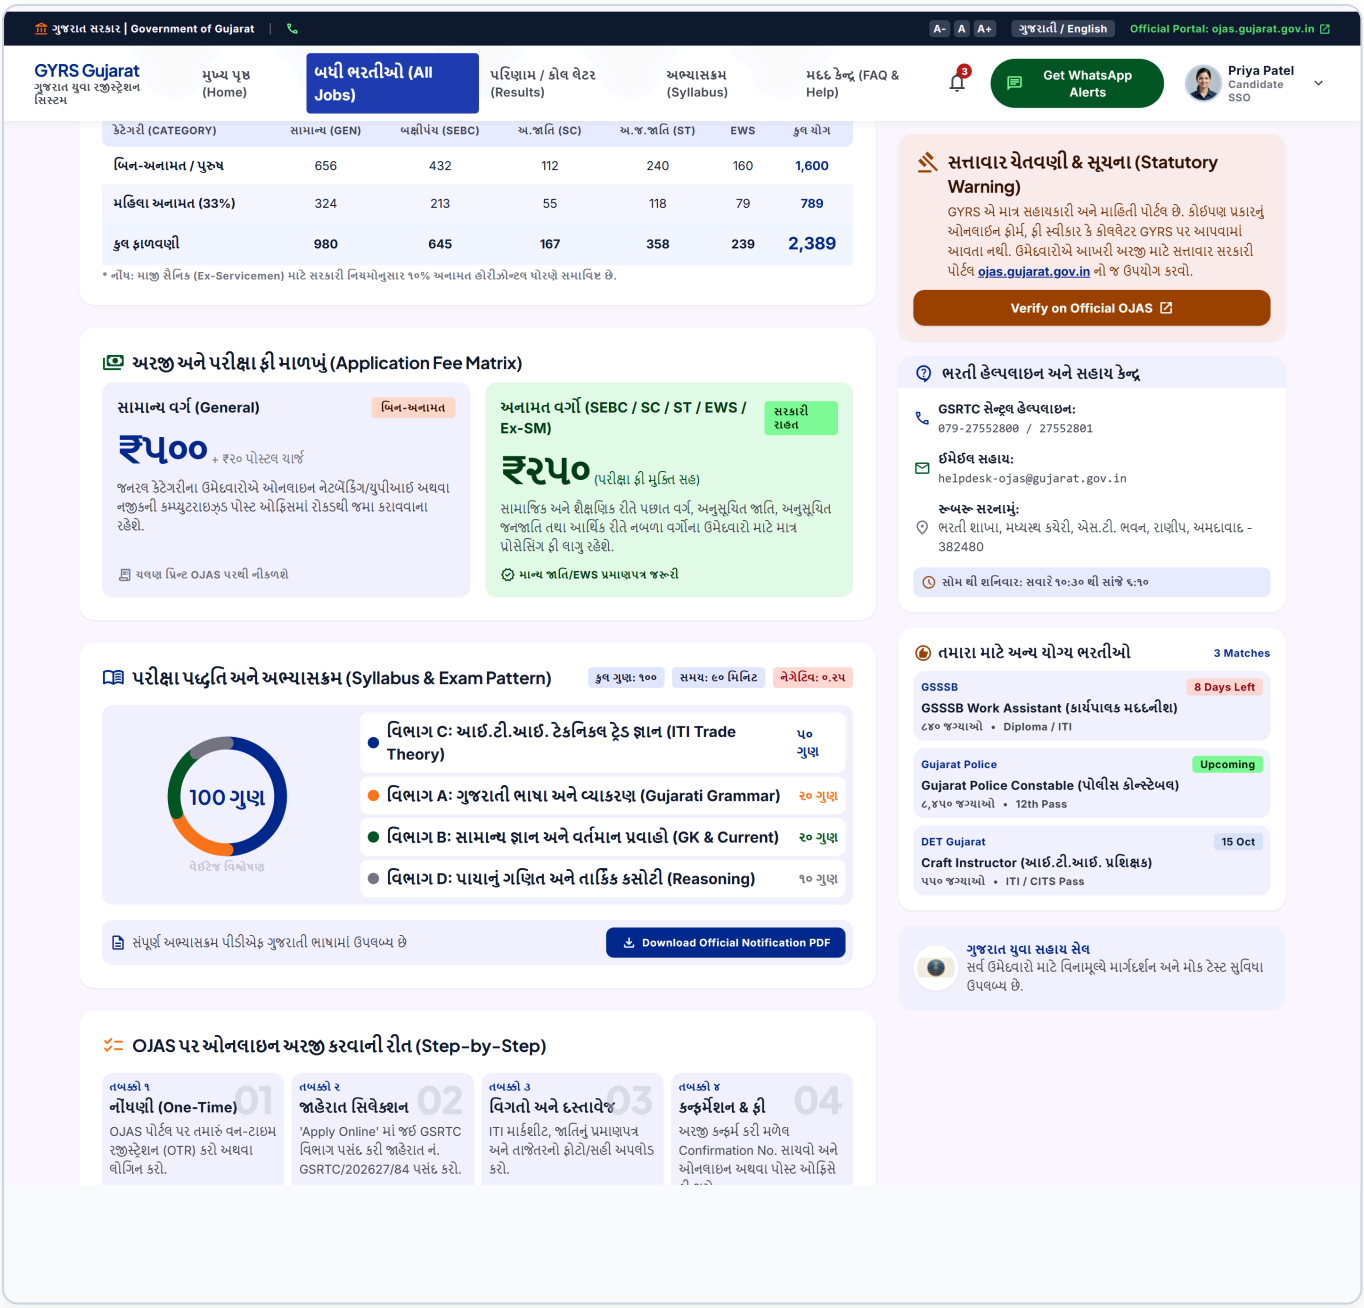

1. Metric Highlights Strip
Instant visual counters: 2,389 Total Vacancies, 18-33 Years Age Limit, ₹19,950 Fixed Monthly Pay, ₹100 General Fee.

2. Critical Schedule Matrix
Clear dates for Application Opening, Online Application Cutoff (11:59 PM), and Challan Payment Deadline.

3. Category Reservation Table
Structured breakdown across General, EWS, SEBC/OBC, SC, ST, Female Reservation, and Ex-Servicemen quotas.

Eligibility Calculator, Syllabus & OJAS Conversion

Candidate decision engine featuring the 30-second eligibility checker, WhatsApp alert opt-in, syllabus breakdown, and official OJAS redirection.

1. Instant Eligibility Checker
Validates DOB, gender, caste category, and education against official rules to deliver an instant Green/Red status pill.

2. WhatsApp & Email Alert Bar
One-click toggle sending automated last-date reminders (72h / 24h) and admit card alerts directly to candidate WhatsApp.

3. Official OJAS Redirection CTA
Primary conversion button redirecting to ojas.gujarat.gov.in AdvtDetails with statutory safety disclaimers.

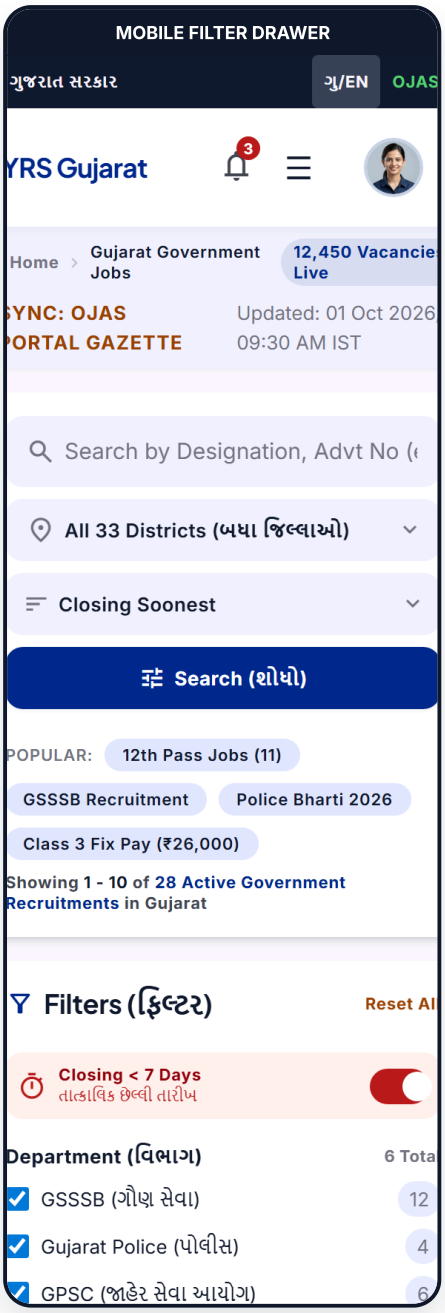

Mobile-First Responsive Experience & Touch UI

Optimized for budget Android and iOS smartphones across rural and urban Gujarat. Features single-column linear layout, off-canvas drawers, and sticky touch action bars.

MOBILE HOME PORTAL

MOBILE FILTER DRAWER

MOBILE DETAIL & ELIGIBILITY

44px+ Touch Targets
Every interactive button, checkbox, and select dropdown complies with minimum 44px tap ergonomics.

Zero Horizontal Scroll
Data tables automatically convert to scrollable touch containers with clear visual swipe indicators.

Sticky Bottom Action Bar
The primary 'Apply on OJAS' CTA is permanently docked to the bottom viewport for instant thumb access.

Candidate Journey & System Integration Flowchart

Architectural workflow demonstrating candidate onboarding, personalized alert triggers, official government portal handoff, and post-application exam tracking.

1 **Discovery & Search (SEO + Social Channels)**
Candidate lands on GYRS via Google Search, WhatsApp community links, or direct referral. Browses latest Gujarat recruitments.

2 **Instant Eligibility Check (30 Seconds)**
Candidate selects DOB and qualification. System calculates age cutoff and category relaxation instantly, displaying Green Verified pill.

3 **WhatsApp & Email Alert Subscription**
Candidate opts in for proactive notifications. System schedules automated alerts for 3-day and 1-day closing deadlines.

4 **Official Redirection to OJAS Portal**
Candidate clicks 'Apply on OJAS'. GYRS logs referral analytics and redirects safely to ojas.gujarat.gov.in to complete official submission.

5 **Admit Card & Call-Letter Tracking**
Candidate marks 'Applied' in GYRS dashboard. System automatically notifies candidate when official OJAS exam hall tickets are released.

⚖️ Official OJAS Compliance & Public Trust Assurance

GYRS is strictly engineered as a citizen-centric discovery, preparation, and proactive notification platform. All final job applications, fee submissions, quota certificate verifications, and admit card issuances are conducted exclusively on the official Government of Gujarat portal (**ojas.gujarat.gov.in**). GYRS does not duplicate official forms, charge candidate fees, or store sensitive payment credentials.

🚀 **Enterprise Delivery Schedule: 56 to 66 Days (8 to 10 Weeks)**

☁ **Cloud Database: Supabase (PostgreSQL 16) + Object Storage**
